WHAT TO DO IF THE WARRANTY IS VALID

Step 1 Visit www.workprototool.com to see product warranty information.

Step 2

If the product is within the **warranty period***, you can return it to the store where you bought it. You can also mail the product to the store, but you should bear the cost and risk of transport to and from the dealer. **Proof of purchase** required.

*The Warranty period starts from the date you purchase the Product and ceases upon the expiration of the period. Your original purchase invoice (sales receipt or order confirmation e-mail), showing the date of purchase and product description, is your proof of the date of purchase. The warranty period of the product will not be extended or updated through our warranty service.

Step3 **Pack the unit** in a well-padded sturdy carton if you do not have the original packaging.

Step4

The retailer will evaluate the product and provide **free repair services** to address a defect in the materials or workmanship of a product. In the case of failure to repair, the product will be replaced for free.
